

## GO STYRIA RESEARCH GRANT for academic year 2024/25 – call open now!

Go Styria is open for master and doctoral students as well as Post Docs interested in a short term research stay in the context of their master, doctoral thesis or Post-Doc research.

- **Target region:** Albania, Bosnia and Herzegovina, Bulgaria, Croatia, Cyprus, Greece, Hungary, Kosovo, Moldova, Montenegro, North Macedonia, Romania, Serbia, Slovenia, Turkey.
- **Research period:** max. 4 months in winter semester 2024/25 or summer semester 2025, earliest possible start = September 2024

Candidates selected for the program will be given the opportunity for a research period at the University of Graz in order to then continue and conclude their studies / research at their home universities.

### WHO can apply?

MASTER AND DOCTORAL students:

- who are enrolled at an accredited university in the target region currently as well as in 2024/25
- already working on their master or doctoral thesis

POST-DOCS:

- who are academic staff members at an accredited university in the target region
- the completion of the doctorate should not be older than 1 year at time of application

Details on the program call are available on the [program website](#)

### Your steps to becoming a grantee:

- check the program website to see if you are eligible to apply and for all other information
- **master/PhD students:** provide the relevant information for access to the application tool by 23 April 2024
- join us for an online info session on 8 April 2024 or 16 April 2024, 2pm CET
